Remember when we used to look now sun sets far away?	railulan, find the words and talk to me, on, railulan,
And how you said: "This is never over"	This could be heaven
I believed your every word and I guess you did too	I see you walking hand in hand with long-haired
But now you're saying : "Hey, let's think this over"	(5) of the band
You take my hand and pull me next to you, so close to you	In love with her or so it seems, he's (6) with
I have a feeling you don't have the words	my beauty queen
I found one for you, kiss it's seem, say bye, and walk away	Don't even dare to say you hi, still swallowing the goodbye
Don't look back 'cause I am crying	But I know the feelings still alive, still alive
I remember little things you hardly ever do	I lost my patience once, so do you punish me now
Tell me why	I'll always (7) you, no matter what you do
I don't know why it's over	I'll win you back for me if you give me a chance
I remember (1) stars, the walk we took	But (8) is one thing you must understand
that night	Tallulah, It's easier to (9) alone than fear the time
I hope your wish came true, (2) betrayed me	it's over
You let my hand go, and you fake a smile for me	Tallulah, find the words and talk to me ,oh, Tallulah,
I have a (3) you don't know what to do	This could be
I look deep in your eyes and hesitate a while	Tallulah, It's easier to live alone (10) fear the time
Why are you crying?	it's over
Tallulah, It's easier to live (4) than fear the time	Tallulah, find the words and talk to me ,oh, Tallulah,
it's over, oo-ooh	This could be
