### Fill in the gaps

#### Underneath Your Clothes by Shakira

	And all the things I deserve
ou're a song, written by the hands of God	For being such a good girl
Oon't get me wrong, 'cause this might sound to you a bit odd	For being such a hey, hey, hey, hey
But you own the place where all my thoughts go hiding	I love you more than all that's on the planet
Right under your clothes is where I'll find them	Movin' talkin' walkin' breathing
Underneath (1) clothes there's an endless story	You know it's true, Oh babe it's so funny
There's the man I chose, there's my territory	You almost don't believe it
And all the things I deserve	As (5) is hanging from the
For being such a good girl, honey	silence, lamps are hanging from the ceiling
Cause of you, I (2) the smart ways to lie	Like a (7) tied to her manners, I'm (8)
Because of you, I'm running out of (3) to	up to this feel
cry	Underneath (9) clothes there's an endless story
When the friends are gone, when the party's over	There's the man I chose, there's my territory
Ve (4) still belong to each other	And all the things I deserve
Inderneath your clothes there's an endless story	For being such a good girl, honey
There's the man I chose, there's my territory	Underneath (10) clothes, ah wha ho oh woah
And all the things I deserve	There's the man I chose, there's my territory
For being such a good girl, honey	And all the things I deserve
Inderneath your clothes there's an endless story	For being such a good girl
There's the man I chose, there's my territory	For being such a good girl
