My (1) is brilliant,	And I don't think that I'll see her again
My life is brilliant, my love is pure	But we shared a (5) (6) will last 'till
saw an angel of that I'm sure	the end
She smiled at me on the subway	You're beautiful, you're beautiful
She was with another man	You're beautiful, it's true
But I won't lose no sleep on that	I saw your face in a crowded place
Cause I've got a plan	And I don't know what to do
You're beautiful, you're beautiful	'Cause I'll never be with you
You're beautiful, it's true	La la la la la la la la
saw (2) face in a crowded place	You're beautiful you're beautiful
And I don't know what to do	You're beautiful, it's true
Cause I'll never be with you	There must be an angel with a smile on her face
Yes, she caught my eye	When she thought up (7) I (8) be
As we walked on by	with you
She could see (3) my (4) that	But it's time to (9) the truth
was flying high	I will never be with you
