rm broken, do you near me	vvnen ne lays you down, i might just die inside
I am blinded, but you are everything I see	It just don't feel right
I'm dancing, alone	Cause I (5) love you more than this
I'm praying, that your heart will just turn around	Yeah
And as I walk up to (1) door	I never had the words to say
My head turns to face the floor	But now I'm asking you to stay
Cause I can't look you in the eyes and say	For a little while inside my arms
When he opens his arms and holds you (2)	And as you close your eyes tonight
tonight	I pray that you will see the light
It (3) won't feel right	That's shining from the stars above
Cause I can love you more than this	Now I say
Yeah	When he opens his (6) and holds you close tonight
When he lays you down, I might just die inside	It just won't feel right
It just don't feel right	Cause I can love you more than this
Cause I could love you more than this	Cause I can love you more than this
Can love you more than this	When he lays you down, I might (7) die inside
If I'm louder, would you see me	It just don't feel right
Would you lay down in my arms and rescue me	Cause I could love you more than this
Cause we are the same	Yeah
You (4) me	When he opens his arms and holds you (8)
When you leave it's gone again	tonight
Then I see you on the street	It just won't feel right
In his arms, I get weak	Cause I can love you (9) than this
My body fails, I'm on my knees	Yeah
Prayin'	When he lays you down, I might just die inside
When he opens his arms and holds you close tonight	It just don't feel right
It just won't feel right	Cause I could love you more than this
Cause I can love you more than this	Could love you more (10) this
