## Fill in the gaps

\_\_\_ die inside

I'm broken, do you hear me	When he lays you down, I might (15) die inside
I am blinded, but you are (1) I see	It just don't feel right
I'm dancing, alone	Cause I could (16) you more (17) this
I'm praying, (2) your heart will just turn around	Yeah
And as I (3) up to your door	I never had the words to say
My (4) to (6) the floor	But now I'm asking you to stay
Cause I can't look you in the eyes and say	For a little while inside my arms
When he opens his arms and (7) you close	And as you close your (18) tonight
tonight	I pray (19) you will see the light
It (8) won't feel right	That's shining from the stars above
Cause I can love you more than this	Now I say
Yeah	When he opens his arms and holds you close tonight
When he lays you down, I might just die inside	It just won't (20) right
It just don't feel right	Cause I can (21) you more than this
Cause I could (9) you more (10) this	Cause I can love you more (22) this
Can love you more than this	When he lays you down, I might just die inside
If I'm louder, would you see me	It just don't (23) right
Would you lay (11) in my arms and rescue me	Cause I could love you more than this
Cause we are the same	Yeah
You save me	When he opens his (24) and holds you close
When you leave it's gone again	tonight
Then I see you on the street	It just won't feel right
In his arms, I get weak	Cause I can love you more than this
My (12) fails, I'm on my knees	Yeah
Prayin'	When he lays you down, I might just die inside
When he opens his arms and holds you (13)	It just don't feel right
tonight	Cause I (25) love you more (26) this
It just won't feel right	Could (27) you more than this
Cause I can (14) you more than this
