

Fill in the gaps

I'm broken, do you hear me	When he lays you down, I might just die inside
I am blinded, but you are everything I see	It just don't feel right
I'm dancing, alone	Cause I could love you more than this
I'm praying, that your heart will just turn around	Yeah
And as I walk up to your door	I never had the words to say
My head (1) to face the floor	But now I'm asking you to stay
Cause I can't (2) you in the eyes and say	For a little while inside my arms
When he opens his arms and holds you close tonight	And as you close your eyes tonight
It just won't feel right	I pray that you will see the light
Cause I can love you more than this	That's shining from the stars above
Yeah	Now I say
When he lays you down, I might just die inside	When he opens his arms and holds you close tonight
It just don't feel right	It just won't (5) right
Cause I could love you more than this	Cause I can love you more than this
Can love you more than this	Cause I can love you more than this
If I'm louder, would you see me	When he lays you down, I might just die inside
Would you lay (3) in my arms and rescue me	It (6) don't feel right
Cause we are the same	Cause I could love you (7) than this
You save me	Yeah
When you leave it's gone again	When he opens his arms and holds you close tonight
Then I see you on the street	It just won't feel right
In his arms, I get weak	Cause I can love you more than this
My body fails, I'm on my knees	Yeah
Prayin'	When he (8) you down, I (9) just die
When he (4) his arms and holds you close	inside
tonight	It just don't feel right
It just won't feel right	Cause I could love you more (10) this
Cause I can love you more than this	Could love you more than this
Yeah
