

## Fill in the gaps

## The Start Of Something Good by Daughtry

You never (1) when you're gonna meet someone	I know that it's gonna take sometime
And your whole wide world in a moment (2)	I've got to admit (13) the thought has
undone	(14) my mind
You're (3) walking around and suddenly	This might end up like it should
Everything that you (4) that you	And I'm gonna say (15) I need to say
(5) about love is gone	And hope to god that it don't (16) you away
You find out it's all (6) wrong	Don't (17) be misunderstood
And all my scars don't seem to matter anymore	But I'm starting to believe that this could be the start
Cause they led me here to you	Cause I don't know where it's going
I know that its gonna take sometime	There's a part of me (18) loves not knowing
I've got to admit that the thought has crossed my mind	Just don't let it end before we begin
This (7) end up like it should	You never know when you gonna meet someone
And I'm gonna say what I need to say	And (19) whole (20) world in a moment
And hope to god that it don't scare you away	(21) undone
Don't wanna be misunderstood	I know (22) its gonna take sometime
But I'm starting to (8) that this could be the	I've got to admit that the (23) has crossed
start of (9) good	my mind
Everyone knows life has its Ups and downs	This (24) end up like it should
One day you're on top of the (10) and one day	And I'm gonna say what I need to say
you're the clown	And hope to god that it don't (25) you away
Well I've been both enough to know	Don't wanna be misunderstood
That you don't (11) get in the way when its	But I'm starting to believe (26) this
working out	(27) be the start of something good
The way that it is right now	
You see my heart i wear it on my sleeve	
Cause I (12) can't hide it anymore
