How I've become

Fill in the gaps

Another mission the (1) have called me away	indestructible
Another time to carry the colors again	Determination (3) is incorruptible
My motivation an oath I've (2) to defend	From the other side a terror to behold
To win the honor of coming back home again	Annihilation will be unavoidable
No explanation will matter after we begin	Every (4) enemy will know
Unlock the dark destroyer that's buried within	That their opponent had to be invincible
My true vocation and now my unfortunate friend	Take a last look around while your alive
You will discover a war you're unable to win	I'm an indestructible
I'll have you know	Master of war
That I've become	l'm
Indestructible	Indestructible
Determination that is incorruptible	Determination that is incorruptible
From the other side a terror to behold	From the (5) (6) a terror to behold
Annihilation will be unavoidable	Annihilation will be unavoidable
Every broken enemy will know	Every broken (7) will know
That their opponent had to be invincible	That their opponent had to be invincible
Take a last look around while you're alive	Take a last look (8) while your alive
I'm an indestructible	I am indestructible
Master of war	Indestructible
Another reason another cause for me to fight	Indestructible
Another fuse uncovered now for me to light	Determination that is incorruptible
My dedication to all that I've sworn to protect	From the other side a terror to behold
I carry out my orders without a regret	Annihilation will be unavoidable
My declaration embedded deep under my skin	Every broken enemy will know
A permanent reminder of how it began	That their opponent had to be invincible
No hesitation when I am commanded to strike	Take a last look around while your alive
You need to know that you're in for the fight of your life	I'm an indestructible
