

## Fill in the gaps

Strong and unafraid

What has come over me
What madness taken hold of my heart
To run away, the only answer
Pulling me away
To fall upon the night
The source of my recovery
Sweet shadow taking (1) of the light
Another day has been devoured
Calling me away, (2) the question
Why
For saving me (3) all they've taken
Letting my armor fall again
Giving me the (4) to face them
Feeling it taking (5) now
On a path to take it all away
There can be no better way of knowing
In a world beyond controlling
Are you going to deny the savior
In front of your eyes
Stare into the night
Power (6) containing
Are you going to remain a slave for
The (7) of (8) life
Give (9) the night
This (10) discovery
Redemption taking (11) of my mind
A serenade of (12) voices
Calling me away
To feast upon the night
So (13) felicity
Dark maiden (14) hold of my hand
Lead me away from hibernation
