What has come over me
What madness taken hold of my heart
To run away, the (1) answer
Pulling me away
To fall upon the night
The source of my recovery
Sweet shadow taking (2) of the light
Another day has been devoured
Calling me away, begging the question
Why
For saving me from all they've taken
Letting my (3) fall again
Giving me the (4) to face them
Feeling it taking over now
On a path to take it all away
There can be no better way of knowing
In a world (5) controlling
Are you going to (6) the savior
In front of your eyes
Stare into the night
Power beyond containing
Are you going to remain a slave for
The rest of your life
Give into the night
This self discovery
Redemption taking hold of my mind
A serenade of haunting voices
Calling me away
To (7) upon the night
So much felicity
Dark (8) taking hold of my hand

Lead me away from hibernation

Strong and unafraid Never a question why

For saving me from all they've taken

Letting my armor fall again

Giving me the strength to face them

Feeling it taking over now

I'm about to take it away

There can be no better way of knowing

In a world beyond controlling

Are you going to deny the savior

In front of your eyes

Stare into the night

Power beyond containing

Are you going to remain a slave for

The rest of your life Give into the night

Give in to the night

In a world beyond controlling

Are you going to deny the savior

In front of your eyes Stare into the night

Power beyond containing

Are you going to remain a slave for

The rest of your life Give into the night Night Night Night

Give into the Night Night Night Night

Give into the Night
