Fill in the gaps

Never Too Late by Three Days Grace

This world will never be	Now and again we try
What I expected	To (14) (15) alive
And if I don't belong	Maybe we'll (16) it all around
Who would have guessed it	'Cause it's not too late
I will not (1) alone	It's never too late
Everything (2) I own	The world we knew
To (3) you (4) like it's not too late	Won't (17) back
It's never too late	The time we've lost
Even if I say	Can't get back
It'll be alright	The life we had
Still I hear you say	Won't be (18) again
You want to end your life	This world (19) never be
Now and again we try	What I expected
To (5) (6) alive	And if I don't belong
Maybe we'll turn it all around	Even if I say
'Cause it's not too late	It'll be alright
It's never too late	Still I (20) you say
No one (7) ever see	You want to end (21) life
This (8) reflected	Now and again we try
And if there's something wrong	To (22) stay alive
Who would have guessed it	Maybe we'll (23) it all around
And I (9) alone	'Cause it's not too late
Everything that I own	It's (24) too late
To (11) you (12) like	Maybe we'll (25) it all around
It's not too late	'Cause it's not too late
It's never too late	It's never too (26) (It's never too late)
Even if I say	It's not too late
It'll be alright	It's never too late
Still I hear you say	
You want to end (13) life
