Always by Bon Jovi

This romeo is bleeding

But you cant see his blood

Its nothing but some feelings

That this old dog kicked up

Its been raining since you left me

Now Im drowning in the flood

You see Ive always been a fighter

But without you I give up

Now I cant sing a love song

Like the way its meant to be

Well, I guess Im not that (1)_____ anymore

But baby, thats just me

And I will love you, baby - always

And Ill be (2)_____ forever and a day - always

Ill be there till the stars dont shine

Till the heavens burst and

The words dont rhyme

And I know when I die, youll be on my mind

And Ill love you - always

Now your pictures that you left behind

Are just (3)_____ of a different life

Some that made us laugh, some that made us cry

One (4)_____ made you have to say goodbye

What Id give to run my fingers through your hair

To touch your lips, to (5)_____ you near

When you say your prayers try to understand

Ive made mistakes, Im just a man

When he holds you close, when he pulls you near

When he says the (6)_____ youve been needing to hear

Ill wish I was him cause those words are mine

To say to you till the end of time

Yeah, I will love you baby - always

And Ill be there forever and a day - always

If you told me to cry for you

I could

If you told me to die for you

I would

Take a look at my face

Theres no price I wont pay

To say these words to you

Well, there aint no luck

In these loaded dice

But baby if you give me just one more try

We can pack up our old dreams

And our old lives

Well find a place (7)_____ the sun still shines

And I will love you, baby - always

And Ill be there forever and a day - always

Ill be there till the stars (8)_____ shine

Till the heavens burst and

The words dont rhyme

And I know when I die, youll be on my mind

And Ill (9)_____ you - always
