Wherever You Will Go by The Calling

So lately, I've been wonderin	I'll go wherever you will go
Who will be (1) to take my place	Way up high or down low
When I'm gone, you'll (2) love	I'll go wherever you will go
To light the shadows on (3) face	Runaway (6) my heart
If a great wave should fall	Runaway with my hope
It would fall upon us all	Runaway with my love
And between the sand and stone	I know now, just (7) how
Could you make it on your own	My (8) and (9) might still go on
If I could, then I would	In your heart and your mind
I'll go wherever you will go	I'll stay with you for all of time
Way up high or down low	If I could, then I would
I'll go wherever you will go	I'll go wherever you will go
And maybe, I'll find out	Way up high or down low
The way to make it back someday	I'll go wherever you will go
To watch you, to guide you	If I could turn back time
Through the darkest of your days	I'll go wherever you (10) go
If a (4) wave (5) fall	If I could make you mine
It would fall upon us all	I'll go wherever you will go
Well I hope there's someone out there	
Who can bring me back to you
