## Here Without You by Three Doors Down

A hundred days have made me older	But you're still on my lonely mind
Since the last time that I saw your pretty face	I think about you baby
A thousand lies have (1) me colder	And I dream about you all the time
And I don't think I can look at this the same	I'm here without you baby
But all the miles that separate	But you're still with me in my dreams
Disappear now when I'm dreaming of your face	And tonight girl it's only you and me
I'm here without you baby	Everything I know and anywhere I go
But you're still on my lonely mind	It (6) (7) but it won't take (8)
I think about you baby	my love
And I dream about you all the time	And (9) the last one falls, when it's all said and
I'm (2) you baby	done
But you're still (4) me in my dreams	It gets hard but it won't take away my love, whoa
And tonight it's only you and me, yeah	I'm (10) without you baby
The miles just keep rollin'	But you're still on my lonely mind
As the people leave their way to say hello	I think about you baby
I've heard this life is overrated	And I dream about you all the time
But I hope that it gets (5) as we go, oh yeah	I'm here without you baby
yeah	But you're still with me in my dreams
I'm here without you baby	And tonight girl it's only you and me, yeah oh yeah oh
