

## Fill in the gaps

How can I decide what's right when you're clouding up my	when I used to know you so well
mind	But how did we get here
I can't win your losing fight all the time	I think I know
How can I (1) own what's mine when you're always	Do you see what we've done
taking sides	We're gonna (8) such fools of ourselves
But you (2) take (3) my pride,	Do you see what (9) done
no not this time	We're gonna make such fools of ourselves
Not this time	How did we get here
How did we get here	when I used to know you so well
When I (4) to know you so well	But how did we get here
But how did we get here	I think I know
I think I know	There is something I see in you
The (5) is (6) in your eyes and	It might kill me
its hanging on your tongue	I want it to be (10)
Just boiling in my blood but you think that I cant see	
What kind of man that you are, if you're a man at all	
Well I will figure this one out on my own	
I'm (7) I love you so	
My thoughts you can't decode	
How did we get here
