

## Chasing Cars by Snow Patrol

|  |  |
|--|--|
| We'll do it all                                  | Let's waste time                                     |
| Everything                                       | Chasing cars   |
| On our own                                       | Around our heads                                     |
| We don't need                                    | If I lay here  |
| Anything   | If I just lay here                                   |
| Or anyone  | Would you lie with me and (3)_____ forget the world? |
| If I lay here                                    | Forget what we're told                               |
| If I just lay here                               | Before we get too old                                |
| Would you lie with me and just forget the world? | Show me a (4)_____ that's bursting into life         |
| I don't quite know                               | All (5)_____ I am                                    |
| How to say                                       | All that I ever was                                  |
| How I feel                                       | Is here in your perfect eyes, they're all I can see  |
| Those (1)_____ words                             | I don't know where                                   |
| Are said too much                                | Confused (6)_____ how as well                        |
| They're not enough                               | Just know that (7)_____ (8)_____ will never          |
| If I lay here                                    | change for us at all                                 |
| If I just lay here                               | If I lay here  |
| Would you lie with me and just forget the world? | If I just lay here                                   |
| Forget what we're told                           | Would you lie with me and just forget the world?     |
| Before we get too old                            |  |
| Show me a garden that's bursting (2)_____ life   |  |

**Fill in the gaps**

Answer
