

Fill in the gaps

vve il do it all	Let's waste time
Everything	Chasing cars
On our own	Around our heads
We don't need	If I lay here
Anything	If I just lay here
Or anyone	Would you lie (3) me and just forget the world?
If I lay here	Forget what we're told
If I just lay here	Before we get too old
Would you lie with me and just (1) the world?	Show me a garden that's bursting into life
I don't quite know	All that I am
How to say	All (4) I ever was
How I feel	Is here in your (5) eyes, they're all I can
Those three words	see
Are said too much	I don't (6) where
They're not enough	Confused about how as well
If I lay here	Just know that these things (7) (8)
If I just lay here	(9) for us at all
Would you lie (2) me and just forget the world?	If I lay here
Forget what we're told	If I just lay here
Before we get too old	Would you lie with me and just forget the world?
Show me a garden that's bursting into life
