

Fill in the gaps

Sha, Sha, Sha	You're taking seven steps here
probably shouldn't say this	The seven (6) I hate about you
But at times I get so scared	You're vain
When I think about the previous	Your games
Relationship we shared	You're insecure
t was awesome, but we lost it	You love me, you like her
t's not possible for me not to care	You made me laugh, you made me cry, I don't know which
And now we're standing in the rain	side to buy
But nothing's ever gonna change until you hear	Your friends, they're jerks when you act like them, just know it
My dear	hurts
The seven things I hate about you (x2)	I wanna be with the one I know
Oh, you	And the seventh (7) I hate the most that you do
You're vain	You make me love you
Your games	And compared to all the great things
You're insecure	That would take too long to write
You love me, you like her	I (8) should mention
You (1) me laugh, you made me cry, I don't know	The seven that I like
which (2) to buy	The seven things I like about you
Your friends, they're jerks when you act like them, just	Your hair
(3) it hurts	Your eyes
wanna be with the one I know	Your old Levi's
And the seventh thing I hate the (4) that you do	When we kiss, I'm hypnotized
You make me love you	You made me laugh, you made me cry, but I (9)
t's awkward and silent	that's both I'll have to buy
As I wait for you to say	Your hand in mine when we're intertwined, everything's alright
What I need to hear now	I wanna be with the one I know
Your sincere apology	And the seventh thing I like the most that you do
When you mean it I'll believe it	You make me love you
f you text it I'll (5) it	Sha, sha
_et's be clear	You do, oh
Oh, I'm not comin' back
