

Fill in the gaps

Sha, Sha, Sha	You're taking seven steps here
I probably shouldn't say this	The seven things I hate about you
But at times I get so scared	You're vain
When I think about the previous	Your games
Relationship we shared	You're insecure
It was awesome, but we lost it	You love me, you like her
It's not possible for me not to care	You (6) me laugh, you made me cry, I don't know
And now we're standing in the rain	which side to buy
But nothing's ever gonna change (1) you hear	Your friends, they're jerks when you act like them,
My dear	(7) know it hurts
The seven things I hate about you (x2)	I wanna be (8) the one I know
Oh, you	And the seventh thing I hate the most that you do
You're vain	You (9) me love you
Your games	And compared to all the great things
You're insecure	That would take too long to write
You love me, you like her	I probably should mention
You made me laugh, you made me cry, I don't know which	The seven that I like
side to buy	The seven things I like about you
Your friends, they're jerks when you act like them, just	Your hair
(2) it hurts	Your eyes
I wanna be with the one I know	Your old Levi's
And the seventh thing I hate the (3) that you do	When we kiss, I'm hypnotized
You make me love you	You made me laugh, you made me cry, but I guess that's both
It's awkward and silent	I'll have to buy
As I wait for you to say	Your hand in mine when we're intertwined, everything's alright
What I need to hear now	I wanna be with the one I know
Your (4) apology	And the seventh thing I like the most that you do
When you mean it I'll believe it	You make me love you
If you (5) it I'll delete it	Sha, sha
Let's be clear	You do, oh
Oh, I'm not comin' back
