

## Fill in the gaps

An empty street	To see you (6) again, my love
An empty house	I try to read
A (1) inside my heart	I go to work
I'm all alone and the (2) are	I'm (7) with my friends
(3) smaller	But I can't (8) to keep myself from thinking
I wonder how, I wonder why	I wonder how, I wonder why
I wonder where they are	I wonder where they are
The days we had, the songs we sang together	The days we had, the songs we sang together
And oh my love	And oh my love
I'm holding on forever	I'm holding on forever
Reaching for a love that (4) so far	Reaching for a love that seem so far
So I say a little prayer	To hold you in my arms
And hope my dreams will take me there	To promise you my love
Where the skies are blue	To tell you from the heart
To see you once again, my love	You're all I'm thinking of
Overseas from coast to coast	I'm (9) for a (10) seem so far
To find the place I love the most	
Where the (5) are green	

- 1. hole
- 2. rooms
- 3. getting
- 4. seem
- 5. fields
- 6. once
- 7. laughing
- 8. stop
- 9. reaching
- 10. love
