

## Fill in the gaps

Today is (1) be the day	By now you should've somehow
That they're (2) throw it back to you	Realized what you're not to do
By now you should've somehow	I don't (17) that anybody
Realized what you (3) do	Feels the way I do
I don't believe that anybody	About you now
Feels the way I do about you now	And all the (18) that (19) to you were
Backbeat the word was on the street	winding
That the fire in (4) heart is out	And all the lights that light the way are blinding
I'm (5) you've heard it all before	There are (20) things that I would (21)
But you (6) really had a doubt	to say to you
I don't (7)(8)	I don't know how
(9) feels	I said maybe
The way I do about you now	You're gonna be the one who saves me?
And all the roads we have to (10) (11)	And (22) all
are winding	You're my wonderwall
And all the lights that lead us (12) are blinding	I (23) maybe
There are (13) things (14) I would	You're gonna be the one who saves me?
Like to say to you	And after an
I don't know how	You're my wonderwall
Because maybe	Said maybe
You're (15) be the one who saves me?	You're gonna be the one that (24) me
And after all	You're gonna be the one that saves me
You're my wonderwall	You're (25) be the one (26)
Today was gonna be the day?	(27) me
But they'll (16) throw it back to you
