## Don't Walk Away by Michael Jackson

| Don't walk away                               | See now why                            |
|---|--|
| See I just can't find the (1) thing to say    | All my dreams (16) broken              |
| I (2) but all my (3) (4) in                   | I don't know where we're going         |
| the way                                       | Everything we (17) and all we (18) now |
| Tell me what I have to do so you'll stay      | Don't let go, I don't (19) walk away   |
| Should I get (5) on my knees and pray         | Now why                                |
| And how can I (6) losing you                  | All my dreams been broken              |
| How can I (7) to say                          | Don't (20) where we're going           |
| When there's nothing (8) to do but walk away  | Everything (21) to set us free         |
| I (9) my eyes                                 | Can't you see, I don't wanna walk away |
| Just to try and see you (10) one more time    | If you go, I (22) forget you girl      |
| But (11) been so long now all I do is cry     | Can't you see (23) you will always be  |
| Can't we (12) some (13) to                    | Even though I had to let you go        |
| (14) this away                                | There's nothing (24) to do             |
| 'Cause the pain (15) stronger every day       | Don't (25) (26)                        |
| How can I begin again                         |  |
| How am I to understand                        |  |
| When there's nothing left to do but walk away |  |
