## Go The Distance by Bso Hercules

## Fill in the gaps

I have often dreamed	And I won't look back	
Of a far off place	I can go the distance	
Where a hero's welcome	And I'll stay on track	
Would be waiting for me	No I won't accept defeat	
Where the crowds will cheer	It's an uphill slope	
When they see my face	But I won't lose hope	
And a voice keeps saying	Till I go the distance	
This is (1) I'm meant to be	And my journey is complete	
I'll be there someday	But to look beyond the glory is the (6)	part
I can go the distance	For a hero's strength is measured by his heart	
I will find my way	Like a shooting star	
If I can be strong	I will go the distance	
I know every mile	I will (7) the world	
Will be worth my while	I will face its harms	
When I go the distance	I don't care how far	
I'll be right (2) I belong	I can go the distance	
Down an unknown road	Till I (8) my hero's welcome	
To embrace my fate	Waiting in your arms	
Though that (3) may wander	I will search the world	
It (4) (5) me to you	I will face its harms	
And a thousand years	Till I find my hero's welcome	
Would be worth the wait	Waiting in (9) arms	
It might take a lifetime		
But somehow I'll see it through
