

But somehow I'll see it through

## Fill in the gaps

have often dreamed		And I won't (4) back	
Of a far off place		I can go the distance	
Where a hero's welcome		And I'll (5)	on track
Nould be (1)	for me	No I won't (6)	defeat
Where the crowds will cheer		It's an uphill slope	
When they see my face		But I won't lose hope	
And a voice keeps saying		Till I go the distance	
his is where I'm meant to be And my journey is complete		complete	
'll be there someday		But to look beyond the glory is the hardest part	
can go the distance		For a hero's strength is measured by his heart	
(2) find my way		Like a shooting star	
f I can be strong		I will go the distance	
know every mile		I will search the world	
Will be worth my while		I (7) (8)	its harms
When I go the distance		I don't care how far	
'll be right where I belong		I can go the distance	
Down an unknown road		Till I (9)	my hero's welcome
To embrace my fate		Waiting in your arms	
Though that road may wander		I will search the world	
t will lead me to you		I will face its harms	
And a thousand years		Till I find my hero's welcome	
Would be (3) the	wait	Waiting in your (10	)
t might take a lifetime
