

## Fill in the gaps

Where is the moment when we need it the most	You (14) me don't lie
You kick up the leaves and the magic is lost	You work at a smile and you go for a (15)
They tell me (1) blue sky's faded to grey	You had a bad day
They tell me your passion's gone (2)	The camera don't lie
And I don't need no (3) on	You're (16) back down and you really don't
Stand in the line just ahead of the law	mind
You're faking a (4) with the coffee you go	You had a bad day
You tell me your life's been way off line	You had a bad day
You're falling to (5) every time	Sometimes the (17) goes on the
And I don't need no carrying on	(18) and the whole thing it (19) out
Cause you had a bad day	Wrong
You're taking one down	You might not (20) it (21) and you
You sing a sad song just to (6) it around	(22) that you could be well oh that
You say you don't know	Strong
You tell me don't lie	Well I'm not wrong
You (7) at a (8) and you go for a	So (23) is the passion (24) you
(9)	(25) it the most
You had a bad day	Oh you and I
The (10) don't lie	You kick up the leaves and the magic is lost
You're (11) back down and you really don't	Cause you had a bad day
mind	You're taking one down
You had a bad day	You (26) a sad song (27) to turn it
You had a bad day	around
Well you need a blue sky holiday	You say you don't (28)
The point is they laugh at what you say	You tell me don't lie
And I don't (12) no carrying on	You work at a smile and you go for a ride
You had a bad day	You had a bad day
You're taking one down	You've seen what you like
You (13) a sad song just to turn it around	And how does it feel for one more time
You say you don't know	You had a bad day
	You had a bad day
	You had a bad day
