It's close to midnight
something evil's lurkin' from the dark
under moonlight
You see a sight that almost stops your heart
You try to scream
But (1) takes the sound before you make it
You start to freeze
As terror looks you (2) between your eyes
You're paralyzed
'Cause this is thriller
Thriller night
And no one's gonna save you
From the beast about to strike
You know it's killer
Thriller night
You're (3) for your life
Inside a killer
Thriller tonight, yeah
You hear the door slam
And realize there's nowhere (4) to run
You feel the (5) hand
And wonder if you'll ever see the sun
You (6) your eyes
And hope that this is just imagination
Girl, but all the while
You hear a creature creepin' up behind
You're outta time
'Cause this is thriller

Thriller night

There ain't no second chance
to count the thing with the forty eyes, girl
(Thriller)
(Thriller night)
You're fighting for your life
Inside a killer
Thriller tonight
Night creatures call
And the dead start to walk in their masquerade
There's no escaping the jaws of the alien this time
(They're open wide)
This is the end of your life
They're out to get you
There's demons closing in on every side
They will possess you
Unless you change that number on your dial
Now is the time
For you and I to cuddle close together, yeah
All (7) the night
I'll save you from the terror on the screen
I'll make you see
That this is thriller
Thriller night
'Cause I can thrill you more
Than any ghoul would ever dare try
(Thriller)
(Thriller night)
So let me hold you tight
And share a

killer, diller, chiller
