Thriller by Michael Jackson

Fill in the gaps

It's close to midnight
something evil's lurkin' from the dark
under moonlight
You see a sight that almost stops your heart
You try to scream
But terror takes the sound before you make it
You start to freeze
As terror looks you right between your eyes
You're paralyzed
'Cause this is thriller
Thriller night
And no one's gonna (1) you
From the beast about to strike
You know it's killer
Thriller night
You're fighting for your life
Inside a killer
Thriller tonight, yeah
You hear the door slam
And realize there's nowhere left to run
You feel the cold hand
And wonder if you'll ever see the sun
You close (2) eyes
And hope that this is just imagination
Girl, but all the while
You hear a creature creepin' up behind
You're outta time
'Cause this is thriller
Thriller night

This is the end of your life
They're out to get you
There's demons closing in on every side
They (5) possess you
Unless you change that number on your dial

For you and I to cuddle close together, yeah
