

## Fill in the gaps

### November Rain by Guns N' Roses

When I look into your eyes I can see a love restrained But darlin' when I hold you Don't you know I feel the same 'Cause nothin' lasts forever And we  
(1)\_\_\_\_\_ know hearts can change And it's hard to hold a candle In the cold November rain We've been through this Such a long long time Just  
tryin' to (2)\_\_\_\_\_ the pain Yeahh.. But lovers always come And lovers always go And no one's really sure Who's lettin' go today Walking away If  
we could take the time To lay it on the line I could rest my head Just knowin' (3)\_\_\_\_\_ you (4)\_\_\_\_\_ mine All mine So if you want to love me  
Then darlin' don't refrain Or I'll just end up walkin' In the cold November rain Do you need some time On your own Do you need some time All alone  
Everybody needs (5)\_\_\_\_\_ time On their own Don't you (6)\_\_\_\_\_ you need some time All alone I know it's hard to keep an open heart When  
even friends seem out to harm you But if you could heal a broken heart Wouldn't time be out to charm you Sometimes I need some time On my own  
Sometimes I need some time All alone Everybody needs some time On (7)\_\_\_\_\_ own Don't you know you need some time All alone And when  
your fears subside And shadows still remain I know that you can love me When there's no one left to blame So never mind the darkness We  
(8)\_\_\_\_\_ can find a way 'Cause nothin' lasts forever Even cold November rain Don't ya think that you Need somebody Don't ya think  
(9)\_\_\_\_\_ you Need someone Everybody needs somebody You're not the (10)\_\_\_\_\_ one You're not the only one Don't ya think that you Need  
somebody Don't ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya think that you  
Need somebody Don't ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya think  
that you Need somebody Don't ya think that you Need someone Everybody needs somebody

## Fill in the gaps

Answer
