

They give us the greens of summers

Fill in the gaps

When I think back on all the crap I learned in high school	Makes you think all the world's a sunny day, oh yeah
It's a wonder I can think at all	I got a Nikon camera
And (1) my lack of education hasn't hurt me	I love to (4) a photograph
none	So mama don't take my (5) away
I can read the writing on the wall	Mama don't take my Kodachrome away
Kodachrome	Mama don't take my (6) away
They give us those nice bright colors	Mama don't take my Kodachrome away
They give us the greens of summers	Mama don't take my Kodachrome
Makes you think all the world's a sunny day, oh yeah	Mama don't take my Kodachrome
I got a (2) camera	Mama don't take my Kodachrome away
I love to take a photograph	Mama don't (7) my Kodachrome
So mama don't take my Kodachrome away	Leave your boy so far from home
If you took all the girls I knew when I was single	Mama don't take my Kodachrome away
And brought them all together for one night	Mama don't (8) my Kodachrome
I know they'd (3) match my sweet imagination	Uhm uhm!
Everything looks worse in black and white	Mama don't (9) my (10)
Kodachrome	away
They give us those nice bright colors	O.K.!
