Don't Stop The Music by Rihanna

Fill in the gaps

Please don't stop the music	I just came here to party
Please don't stop the music	But now we're rockin on the dance floor, actin' naughty
Please don't stop the music	Your hands around my waist
Please don't stop the music	Just let the music play
It's getting late	We're hand in hand chest to chest and now we're face to face
I'm making my way over to	I wanna take you away
My favorite place	Let's escape into the music, DJ let it play
I gotta get my body moving	I just can't refuse it
Shake the stress away	Like the way you do this
