Fill in the gaps

Already Gone by Kelly Clarkson

Remember all the things we wanted
Now all our memories they're haunted
We were always meant to say goodbye
Even with our fists held high
It never would've worked out right
We were never meant for do or die
I didn't want us to burn out
I didn't come here to hold you, now I can't stop
I (1)_____ you to know that it doesn't matter
Where we take this road someone's gotta go
And I want you to know you couldn't have loved me better
But I want you to (2)_____ on so I'm already gone
Looking at you makes it harder
But I know that you'll find another
That doesn't always make you want to cry
Started with a perfect kiss then we could feel the poison set in
Perfect couldn't keep this love alive
You know that I (3)_____ you so, I love you enough to let you go
I want you to know that it doesn't matter
Where we take this (4)_____ someone's gotta go
And I want you to know you couldn't have loved me better
But I want you to move on so I'm already gone
I'm already gone, already gone
You can't make it feel right when you know that it's wrong
I'm already gone, already gone
There's no moving on so I'm already gone
Already gone, already gone, already gone
Already gone, already gone, (5)_____ gone, yeah
Remember all the things we wanted
Now all our memories they're haunted
We were always meant to say goodbye
I want you to know that it doesn't matter
Where we take this road someone's (6)_____ go
And I want you to (7)_____ you couldn't (8)_____ loved me better
But I want you to (9)_____ on so I'm already gone
I'm already gone, already gone
You can't make it feel right when you know that it's wrong
I'm (10)_____ gone, already gone
There's no moving on so I'm already gone
