

Fill in the gaps

Already Gone by Kelly Clarkson

Remember all the things we wanted
Now all our memories they're haunted
We were (1)_____ meant to say goodbye
Even with our fists (2)_____ high
It never would've worked out right
We (3)_____ never meant for do or die
I didn't want us to burn out
I didn't come here to hold you, now I can't stop
I want you to know that it doesn't matter
Where we take this road someone's (4)_____ go
And I (5)_____ you to know you couldn't have loved me
better
But I want you to move on so I'm already gone
Looking at you makes it harder
But I know that you'll find another
That doesn't (6)_____ make you want to cry
Started (7)_____ a perfect kiss (8)_____ we could
feel the poison set in
Perfect couldn't keep this (9)_____ alive
You know (10)_____ I love you so, I love you enough to
let you go
I want you to know that it doesn't matter
Where we take this road someone's gotta go
And I want you to know you couldn't have loved me better
But I want you to move on so I'm already gone
I'm already gone, already gone

You can't make it feel right when you know that it's wrong
I'm already gone, already gone
There's no moving on so I'm already gone
Already gone, already gone, already gone
Already gone, already gone, already gone, yeah
Remember all the things we wanted
Now all our memories they're haunted
We were always meant to say goodbye
I want you to know that it doesn't matter
Where we take this road someone's gotta go
And I want you to know you couldn't have loved me better
But I want you to move on so I'm already gone
I'm already gone, already gone
You can't make it feel right when you know that it's wrong
I'm already gone, already gone
There's no moving on so I'm already gone
