Already Gone by Kelly Clarkson

Remember all the (1)_____ we wanted

Now all our memories they're haunted

We were always meant to say goodbye

Even with our fists held high

It never would've worked out right

We were never meant for do or die

I didn't want us to burn out

I didn't come here to hold you, now I can't stop

I want you to know that it doesn't matter

Where we take this road someone's gotta go

And I want you to know you couldn't have loved me better

But I want you to move on so I'm already gone

Looking at you makes it harder

But I (2)_____ that you'll find another

That doesn't always make you want to cry

Started   (3)_____   a perfect kiss then we could

(4)_____ the poison set in

Perfect couldn't keep this love alive

You know that I love you so, I love you enough to let you go

I (5)_____ you to know that it doesn't matter

Where we take this road someone's gotta go

And I want you to know you couldn't have loved me better

But I want you to move on so I'm already gone

I'm already gone, already gone

You can't (6)_____ it feel right when you (7)_____

that it's wrong

I'm already gone, already gone

There's no moving on so I'm already gone

Already gone, already gone, already gone

Already gone, already gone, already gone, yeah

Remember all the things we wanted

Now all our memories they're haunted

We were always meant to say goodbye

I (8)_____ you to know that it doesn't matter

Where we take this (9)_____ someone's gotta go

And I want you to know you couldn't (10)_____ loved me

better

But I want you to move on so I'm already gone

I'm already gone, already gone

You can't make it feel right when you know that it's wrong

I'm already gone, already gone

There's no moving on so I'm already gone
