

## Fill in the gaps

I'm down a one-way street	(And something tells me this time I'm down to my last licks)
With a one-night stand, With a one (1) mind	'Cause if it's over, Then it's over
Out in no-man's land	And it's driving me insane
(The punishment sometimes don't seem to fit the crime)	Take a walk outside your mind
Yeah there's a hole in my soul	Tell me how it feels to be
But one (2) I've learned	The one who turns the knife (6) of me
For every love letter written	Take a look and you will find there's (7)
There's another burned	there girl
(So you tell me how it's gonna be this time)	Yeah I swear, I'm telling you girl yeah 'cause
Is it over, Is it over	There's a hole im my soul that's been killing me forever
'Cause I'm blowin' out the flame	It's a place where a garden never grows
Take a walk outside your mind	There's a hole im my soul, Yeah, I should (8)
Tell me how it feels to be	known better
The one who turns the knife inside of me	Cause your love's like a (9) without a rose
Take a look and you will find there's nothing there girl	If it's over, It is over
Yeah I swear, I'm telling you (3) yeah ´cause	'Cause I'm blowin' out the flame
There's a hole im my (4) that's been killing me	Take a walk outside your mind
forever	Tell me how it feels to be
It's a place where a garden never grows	The one who turns the knife inside of me
There's a hole in my soul, yeah I should have known better	Take a look and you will find
'Cause your love's like a thorn without a rose	There's nothing (10) girl yeah I swear
I'm as dry as a seven-year drought	I'm telling you girl, yeah ´cause
I got (5) for tears	There's a hole im my soul that's been killing me forever
And I'm all tapped out	It's a place where a garden never grows
(Sometimes I feel broken and can't get fixed)	There's a hole im my soul, Yeah, I should have known better
I know there's been all kinds of shoes underneath your bed	'Cause your love's like a thorn without a rose
Now I sleep with my boots on but you're still in my head	

- 1. track
- 2. thing
- 3. girl
- 4. soul
- 5. dust
- 6. inside
- 7. nothing
- 8. have
- 9. thorn
- 10. there
