

Fill in the gaps

I'm down a one-way street	(And something tells me this time I'm down to my last licks)
With a one-night stand, With a one track mind	'Cause if it's over, Then it's over
Out in no-man's land	And it's driving me insane
(The punishment sometimes don't seem to fit the crime)	Take a walk outside your mind
Yeah there's a hole in my soul	Tell me how it feels to be
But one thing I've learned	The one who turns the knife inside of me
For every love letter written	Take a look and you will find there's nothing there girl
There's another burned	Yeah I swear, I'm telling you girl yeah 'cause
(So you tell me how it's gonna be this time)	There's a hole im my soul that's been killing me forever
Is it over, Is it over	It's a place where a garden never grows
'Cause I'm blowin' out the flame	There's a hole im my soul, Yeah, I should have known better
Take a walk outside your mind	'Cause (7) love's like a thorn without a rose
Tell me how it feels to be	If it's over, It is over
The one who turns the knife inside of me	'Cause I'm blowin' out the flame
Take a look and you (1) find	Take a walk outside your mind
(2) nothing there girl	Tell me how it feels to be
Yeah I swear, I'm telling you girl yeah 'cause	The one who turns the knife inside of me
There's a hole im my soul that's been killing me forever	Take a look and you will find
It's a (3) a garden never grows	There's (8) there girl yeah I swear
There's a hole in my soul, yeah I should have known better	I'm telling you girl, yeah ´cause
'Cause your love's like a thorn without a rose	There's a hole im my soul that's been killing me forever
I'm as dry as a seven-year drought	It's a place where a garden never grows
I got dust for tears	There's a hole im my soul, Yeah, I should have
And I'm all tapped out	(9) better
(Sometimes I feel broken and can't get fixed)	'Cause your love's like a thorn without a rose
I know there's been all kinds of shoes underneath your bed	
Now I sleep with my boots on but (5)	
(6) in my head	

- 1. will
- 2. there's
- 3. place
- 4. where
- 5. you're
- 6. still
- 7. your
- 8. nothing
- 9. known
