

Fill in the gaps

Long ago	What's the (13) that I could say?
Just like the hearse, you die to get in again	Things are better if I stay
We are so far from you	So (14) and goodnight
Burning on	So long and goodnight
Just like a match you (1) to incinerate	Well, if you (15) on this way
The lives of everyone you know	Things are better if I stay
And what's the worst you take	So long and goodnight
(Worst you take)	So long not goodnight
From every (2) you break	Can you hear me?
(Heart you break)	Are you near me?
And like a blade you stain	Can we pretend?
(Blade you stain)	To leave and then
Well, I've (3) (4) on tonight	We'll meet again
What's the worst (5) I could say?	When (16) our cars collide
Things are better if I stay	What's the (17) (18)
So (6) and goodnight	(19) say?
So (7) and goodnight	Things are better if I stay
Came a time	So long and goodnight
When (8) fall	So (20) not goodnight
Brought you to tears again	Well, if you (21) on (22) way
We are the very (10) you sold	Things are better if I stay
And what's the worst you take	So long and goodnight
(Worst you take)	So long and goodnight
From every heart you break	
(Heart you break)	
And (11) the (12) you stain	
(Blade you stain)	
Well I've been holding on tonight
