

Fill in the gaps

No I cant forget this evening				If (13) is without you			
Or your face as you (1) leaving				I cant give			
But I (2)	(3)	(4)	the way	I (14)	(15)	anymore	
The story goes				Well I cant (16))	this evening	
You (5)	(6)	but in	(7)	Or (17) face as you were leaving			
eyes				But I guess that	ts (18)	the way	
Your sorrow shows				The (19) goes			
Yes it shows				You always smile but in your eyes			
No I (8) forget tomorrow				Your sorrow shows			
When I think of all my sorrow				Yes it shows			
When I had you there				I cant live			
But (9) I let you go				If (20) is (21) yo			_ you
And now its only fair				I (22) live			
That I (10) let you know				I cant (23) any more			
What you should know				I cant live			
I cant live				If (24)	is wit	thout you	
If living is without you				I cant give			
I cant live				I cant give anymore			
I (11)	(12)	anymore					
I cant live
