This Is The Life by Amy Macdonald

Oh, the wind whistles down the cold (1) street	And you wake up in the morning and your head
tonight	(18) (19) the size
And the people they were dancing to the music vibe	Where you gonna go? Where you gonna go?
And the boys chase the girls with the curls in their hair	Where you gonna sleep tonight? Where you gonna sleep
While the shy tormented youth sit way over there	tonight?
And the (2) they get (3) each	And you're singing the songs (20)
one better than before	(21) is the life
And you're singing the songs (4) this is	And you (22) up in the morning and your head
the life	feels twice the size
And you (5) up in the (6) and	Where you gonna go? Where you gonna go?
your head (7) twice the size	Where you (23) (24) tonight?
Where you gonna go? (8) you (9)	And you're singing the songs thinking this is the life
go?	And you wake up in the morning and your head
Where you gonna (10) tonight?	(25) (26) the size
And you're (11) the songs thinking this is	Where you gonna go? Where you gonna go?
the life	Where you gonna sleep tonight?
And you wake up in the morning and your head feels twice the	And you're singing the songs thinking (27) is the
size	life
Where you gonna go? (12) you gonna go?	And you wake up in the morning and your head feels twice the
Where you gonna sleep tonight? Where you gonna sleep	size
tonight?	Where you gonna go? Where you gonna go?
So you're heading down the road in your taxi for four	Where you gonna sleep tonight?
And you're waiting outside Jimmy's front door	And you're singing the songs thinking this is the life
But nobody's in and nobody's home 'til four	And you wake up in the morning and your head feels twice the
So you're sitting there with nothing to do	size
Talking about (13) Riger and his	Where you gonna go? Where you gonna go?
(14) crew	Where you gonna sleep tonight? Where you gonna sleep
And where you're gonna go?	tonight?
And where you're gonna sleep tonight?
