

From behind these walls I hear your song

Fill in the gaps

Oh, sweet words				
The music that you (1)	lights up my wor	ld	
The sweetest that I've heard				
Could it be that I've been touched and turned				
Oh Lord, please finally, finally things are changing				
This land is mine but I'll let you rule				
l let you navigate and demand				
Just as (2) as you know, this land is mine				
So find your home and settle in				
Ohh, I'm ready to let you in				
Just as long as we know, this land is mine				
After all the battles and the wars				
The scars and loss				
Well, I'm still the quee	n of my don	nain		
And (3)	(4)		now	
The (5) :	are down a	little more each d	ay	
Since you came, finally, finally things are changing				
This land is mine but I'll let you rule				
l let you navigate and demand				
Just as (6)	as you kno	w, this (7)	is mine	

So find your home and settle in			
Ohh, I'm ready to let you in			
Just as long as we know, this land is mine			
Follow the days I've traveled alone			
In this (8) and colorless place till now			
It's what I had to pay			
This land is mine but I'll let you rule			
I let you navigate and demand			
Just as long as you know, this land is mine			
So find your home and settle in			
Ohh, I'm (9) to let you in			
Just as long as we know, this land is mine			
This land is mine but I'll let you rule			
I let you navigate and demand			
Just as (10) as you know, this land is mine
