

## Fill in the gaps

I'll be the one	We can share our dreams comin' true
I (1) you were lost when I met you	I can show you what true love means
Still there were (2) in your eyes	Just take my hand, baby please
So out of (3) and I knew	I'll be the one
No more (4) mysteries and lies	I'll be the light
There you were, (5) and free	Where you can run
Reachin' out (6) you (7) me	To make it alright
The helping hand to make it right	I'll be the one
I am holding you all through the night	I'll be the light
I'll be the one (I'll be the one)	Where you can run
Who will make all your sorrows undone	I'll be the one (I'll be the one)
I'll be the light (I'll be the light)	Who (14) make all (15)
When you feel like there's nowhere to run	(16) undone
I'll be the one	I'll be the light (I'll be the light)
To hold you	When you feel like there's nowhere to run
And make sure that you'll be alright	I'll be the one
'Cause my fear is gone	I'll be the one
And I want to take you from darkness to light	I'll be the light
There you were, wild and free	Where you can run
Reachin' out like you (8) me	To make it alright
A helping hand to (9) it right	I'll be the one
I am holding you all through the night	I'll be the light
I'll be the one (I'll be the one)	Where you can run
Who (10) make all your sorrows undone	To (17) it all right
I'll be the (11) (I'll be the light)	I'll be the one
When you feel like there's nowhere to run	To hold you
I'll be the one	And (18) (19) that you'll be alright
To (12) you, and make sure that you'll be alright	I'll be the one
You (13) me like I need you
