

Fill in the gaps

I'll be the one	We can share our (8) comin' true
I guess you were lost when I met you	I can show you what true love means
Still there (1) tears in your eyes	Just take my hand, baby please
So out of trust and I knew	I'll be the one
No more than mysteries and lies	I'll be the light
There you were, wild and free	Where you can run
Reachin' out like you needed me	To make it alright
The helping hand to make it right	I'll be the one
I am holding you all through the night	I'll be the light
I'll be the one (I'll be the one)	Where you can run
Who will make all (2) sorrows undone	I'll be the one (I'll be the one)
I'll be the light (I'll be the light)	Who will make all your sorrows undone
When you feel like there's (3) to run	I'll be the (9) (I'll be the light)
I'll be the one	When you feel like there's nowhere to run
To hold you	I'll be the one
And make sure that you'll be alright	I'll be the one
'Cause my fear is gone	I'll be the light
And I want to (4) you from darkness to light	Where you can run
There you were, wild and free	To make it alright
Reachin' out like you needed me	I'll be the one
A helping hand to (5) it right	I'll be the light
I am holding you all through the night	Where you can run
I'll be the one (I'll be the one)	To make it all right
Who will make all your sorrows undone	I'll be the one
I'll be the light (I'll be the light)	To hold you
When you feel (6) there's nowhere to run	And make sure that you'll be alright
I'll be the one	I'll be the one
To hold you, and make sure that you'll be alright
