We Made You by Eminer	n

Guess who, did you miss me?

Jessica Simpson, sing the chorus

When you walk through the door it was clear to me

(Clear to me)

You're the one they adore, who they came to see

(Who they came to see)

You're a rock star everybody wants you

(Baby, everybody wants you)

Player, who can really blame you?

(Who can really blame you?)

We're the ones who made you

Back by popular demand

Now pop a little Zantac for antacid if you can

You're ready to tackle any task that is at hand

How does it feel? Is it fantastic? Is it grand?

Well, look at all the massive masses in the stands

Shady, man, no, don't massacre the fans

Damn, I think Kim Kardashian's a man

She stomped him just 'cause he asked to put his hands

On her massive Gluteus Maximus again

Squeeze it and squish it and pass it to a friend

Can he come back as nasty as he can?

Yes, he can can, don't ask me this again

He does not mean to lesbian offend

But Lindsay, please come back to seeing men Samantha's a 2, you're practically a 10 I know you want me, girl, in fact I see a grin Now (1)\_\_\_\_\_ in, girl When you walk through the door it was clear to me (Clear to me) You're the one they adore, who they came to see (Who they came to see) You're a rock star everybody wants you (Baby, everybody wants you) Player, who can really blame you? (Who can really blame you?) We're the ones who made you The enforcer, looking for more women to torture Walk up to the cutest girl and Charley Horse her Sorry Portia but what's Ellen DeGeneres have that I don't? Are you telling me tenderness? Well, I can be as gentle and as smooth as a gentleman Give me my Ventolin inhaler and two Xenadrine And I'll invite Sarah Palin out to dinner then Nail her, baby, say hello to my little friend Brit forget K-Fed, let's cut out the middle man Forget him or you're gonna end up in (2)\_\_\_ And this time it won't be for the Ritalin binge
