

But you're the one I love the most of all

Nine Million Bicycles by Katie Melua

There are nine million (1) in Beijing	We're (9) on the wire
That's a fact	With the world in our sight
It's a thing we can't deny	And I'll (10) tire
Like the fact that I will love you (2) I die	Of the love that you give me (11) night
We are twelve billion (3) years from the edge	There are nine (12)
That's a guess	(13) in Beijing
No one can ever say it's true	That's a fact
But I (4) that I (5) (6)	It's a (14) we can't deny
be with you	Like the fact (15) I (16) (17)
I'm warmed by the fire of your love everyday	you till I die
So don't (7) me a liar	And there are nine (18) bicycles in Beijing
Just believe everything (8) I say	And you know that I (19) love you till I die
There are six billion people in the world
