## Have You Ever Really Loved A Woman by Bryan Adams

To really love a woman, to understand her	Oh
You gotta know her (1) inside	You've got to give her some faith, hold her tight
Hear every thought, see every dream	A little tenderness, you gotta treat her right
An' give her wings when she wants to fly	She will be there for you, takin' good care of you
Then when you find yourself lyin' helpless in her arms	You really gotta (4) your woman, ya
You know you really love a woman	And when you (5) (6) lyin'
When you love a woman	helpless in her arms
You tell her, that she's really wanted	You know you really love a woman
When you love a woman you tell her that she's the one	When you love a woman
'Cuz she needs somebody	You tell her that she's really wanted
To tell her that it's (2) last forever	When you love a woman you tell her that she's the one
So tell me have you ever really	'Cuz she needs somebody
Really, really ever loved a woman?	To tell her that it's gonna last forever
Yeah	So tell me (7) you ever really
To really love a woman, let her hold you	Really, really ever (8) a woman?
Til' you know how she needs to be touched	Yeah
You've gotta breathe her, really taste her	Just tell me have you ever really
Til' you can feel her in your blood	Really, really, ever loved a woman?
An' when you can see your unborn children in her eyes	Oh
You know you really love a woman	Just (9) me have you ever really
When you love a woman	Really, really, ever (10) a woman?
You tell her that she's really wanted	
When you love a woman you tell her that she's the one	
'Cuz she needs somebody	
To tell her that you'll always be together
