

Fill in the gaps

(16)_____

(20)___

All I know is (1) is not as it's sold	And all I can do is try
But the more I grow, the less I know	Then I see you standing there
And I have (2) so many lives, (3)	I'm all I'll (14) be
I'm not old	But all I can do is try, oh try, try, try
And the more I see, the less I grow	All of the (15) (16)_
The (4) the seeds, the more I sow	(17) passed
Then I see you standing there	We'll try to go back and (18) them last
Wanting (5) me	All of the things we (19) (20)_
And all I can do is try	(21) to be
Then I see you (7) there	We never will be, we (22) will be
Wanting more from me	And that's wonderful, that's life
And all I can do is try, try	That's you baby, (23) is me baby
I wish I hadn't (8) all of the realness	We are, we are, we are
And all the real people are really not (9) at all	We are, we are free in our love
The (10) I learn, the more I learn	We are free in our love
The more I cry the (11) I cry	Try
As I say goodbye to the way of life	
I thought I had (12) for me	
Then I see you standing there	
Wanting more (13) me
