

## Fill in the gaps

It's been the longest winter (1) you	Thought I couldn't live without you
I didn't (2) (3) to turn to	It's gonna (18) when it (19) to, o
See somehow I can't forget you	yeah
After all that we've been through	It'll all get (20) in time
Go in, come in, thought I heard a knock	Even (21) I really loved you
Who's there? No one, thinking (4) I deserved it	I'm gonna smile 'cause I deserve to
Now I realize that I (5) didn't know	It'll all get better in time
You didn't notice, you mean everything	Since there's no more you and me
Quickly I'm learning to (6) again	It's time I let you go so I can be free
All I know is, I'ma be okay	And live my life how it should be
Thought I couldn't live without you	No matter how hard it is, I'll be fine without you
It's gonna (7) when it heals to, oh yeah	Yes, I will
It'll all get better in time	Thought I couldn't live without you
Even though I really (8) you	It's gonna (22) when it heals to, oh
I'm gonna smile 'cause I deserve to	It'll all get better in time
It'll all get (9) in time	Even though I (23) loved you
How could I turn on the TV	I'm gonna smile 'cause I (24) to, yes, I do
Without something there to (10) me?	It'll all get better in time
Was it all that easy	Thought I couldn't live without you
To (11) put (12) your feelings?	It's gonna (25) (26) it heals to, yeah
If I'm dreaming, don't wanna let, (13) my feelings	It'll all get better in time
But that's the path, I (14) in	Even (27) I really loved you
And I know that, time will heal it	I'm gonna (28) 'cause I deserve to
You didn't notice, you (15) everything	
Quickly I'm learning to (16) again	
All I (17) is, I'ma be okay
