

Fill in the gaps

I feel it in my fingers	My mind's made up by the way (7)	I feel
I (1) it in my toes	There's no beginning, there'll be no end	
The (2) that's all around me	'Cause on my love you can depend	
And so the feeling grows	I got to keep it moving	
It's written on the wind	It's written in the wind	
It's everywhere I go	Oh everywhere I go	
So if you really love me	So if you really (8) me, (9)	me
Come on and let it show	Come on and let it show	
You know I love you, I always will	Come on and let it show	
My mind's made up by the way that I feel	Come on and let it	
There's no beginning, there'll be no end	Come on and let it,	
'Cause on my (3) you can depend	Come on and let it show	
I see your face before me	Come on and let it,	
As I lay on my bed	Come on and let it,	
I (4) get to thinking	Come on and let it show,	
Of all the things you said	Come on and let it show,	
You gave your promise to me and I gave (5) to you	Come on and let it show	
I (6) someone beside me in everything I do		
You know I love you, I always will
