

Fill in the gaps

I know I stand in line
Until you think you have the time
To spend an evening with me
And if we go someplace to dance
I know that there's a chance
You won't be leaving with me
Then (1) we drop into a quiet little
place
And have a drink or two
And (2) I go and spoil it all
By (3) something stupid
Like I love you
I can see it in your eyes
That you (4) the (5) old lines
You heard the night before
And though it's just a line to you
For me it's true
And never seemed so right before

I (6)	every day to find some clever
lines to say	
To (7) the	e meaning come through
But then I think I'll wa	ait until the evening
gets late	
And I'm alone with yo	ou
The (8) is	right
Your perfume fills my	/ head
The (9)	get red
And oh the night's so	blue
And then I go and sp	oil it all
By saying (10)	stupid
Like I love you	
I love you
