You Shook Me All Night Long by Acdc

She was a fast machine	On the seduction line
She kept her motor clean	She was one of a kind, she's just mine all mine
She was the (1) damn (2) I had ever	She wanted no applause
seen	Just another course
She had the sightless eyes	Made a meal out of me and came back for more
Telling me no lies	Had to cool me down
Knockin' me out with those American thighs	To take another round
Taking more than her share	Now I'm (5) in the ring to take another swing
Had me fighting for air	'Cause the (6) were shaking
She told me to (3) but I was already there	The (7) was quaking
'Cause the walls start shaking	My (8) was aching
The (4) was quaking	And we were making it and you -
My mind was aching	Shook me all night long
And we were making it and you -	
Shook me all night long	
Working double time
