Oh - thinkin' about all our younger years	Oh - once in your life you find someone
There was (1) you and me	Who (13) turn (14) (15)
We (2) young and (3) and free	around
Now nothin' can (4) you (5)	Bring you up when you're feelin' down
(6) me	Ya-nothin' could change what you mean to me
We've (7) (8) (9) road	Oh there's (16) that I (17) say
before	But just hold me now
But that's over now	Cause our love will (18) the way
You (10) me comin' back for more	Chorus
Chorus	I've (19) waitin' for so long
Baby you're all (11) I want	For somethin' to arrive
When you're lyin' here in my arms	For love to come along
I'm findin' it hard to believe	Now our (20) are comin' true
We're in heaven	Through the good times and the bad
And love is all (12) I need	Ya - I'll be standin' (21) by you
And I found it here in your heart	
It isn't too hard to see	
We're in heaven
